## April is Month of the Young Child

The Month of the Young Child is an annual celebration to focus public attention on the needs of young children and their families and to recognize the Early Childhood programs and services that meet those needs. The theme of the Month of the Young Child (MOYC) is “Early Years are Learning Years” and the Nursery School has planned several activities for the children to participate in during the month. Purple is the designated color for support of Early Childhood issues and building better futures for our children. You will notice a lot of purple in our school during the month. We will have an “All School Purple Day” and the

teachers will be wearing purple ribbons during the month. We encourage you to wear a ribbon during the month to show your support as well. Purple ribbons will be located next to the payment house, by the Nursery School office. More information regarding the Month of the Young Child activities will be coming home soon.

## Children's Sunday at Peace United Church of Christ

In support of advocacy for the children and recognizing The Month of the Young Child, *Sunday, April 15<sup>th</sup> is designated Children's Sunday at Peace UCC.* While families are not obligated to join us, we invite our Nursery School families to share in a day of worship as we give thanks for children and our preschool ministry. The Nursery School children will

be providing the artwork for the church bulletins.

Children and Education has been an important outreach ministry of Peace United Church of Christ.

***The service will begin at 10:15am on Sunday, April 15<sup>th</sup>.***

*We hope to see you and your children!!*

## Registration for Fall 2012

We are still accepting registration for Fall 2012 classes. We are offering Full Day (9:00-3:00) for 4/5 year old along with our half day sessions. Please let your friends and neighbors know we have openings in all age groups. The fall year will begin at the end of August with New Parent Orientation and then Open House for the children and parents to meet their child's teacher.

Information and paperwork will be mailed in July. Please keep in mind that the first tuition payment is due by 8/1/2012 to secure your child's placement. If your address changes please update the CNS office as soon as possible. We would like to thank all the parents who refer CNS to others.

*We appreciate your support and kind words about the program.*

*“One of the most important lessons we can teach our children is that they assume responsibility for their own actions.”*
